

Cultural Competence Committee

Goals and Objectives

Goal 1

Complete an initial local needs assessment of Tampa Bay Healthcare Collaborative members.

- 1a. Determine what linguistic services (i.e., interpretation and translation) are currently available for the Spanish speaking population.
- 1b. Determine what linguistic services (i.e., interpretation and translation) are currently available for the Haitian/Creole speaking population.
- 1c. Assess the degree to which organizations address the 14 elements of CLAS (Culturally and Linguistically Appropriate Standards)

Goal 2

Develop a working model to provide linguistic services (interpretation and translation) to members of the Tampa Bay Healthcare Collaborative.

- 2a. Research and identify existing models/ programs to address the needs of the Tampa Bay Healthcare Collaborative community.
- 2b. Modify the identified models/ programs to suit the needs of the Tampa Bay Healthcare Collaborative community as appropriate.

Goal 3

Increase the multilingual and multicultural resources available to the Tampa Bay Healthcare Collaborative membership through a centralized resource tool.

Goal 4

Obtain resources for project sustainability.

- 4.a. Explore funding opportunities to support CLAS goals and objectives
 - 4.a.i. Grant resources
 - 4.a.ii. In-kind services and corporate donations
 - 4.a.iii. Third party payment and fee services
- 4.b. Submit requests for funding
